Corporate Summary

Josh Brown Consulting, LLC is a US-based legal digital marketing consultancy — a consultant-model firm, not an agency — specialising in AI-powered SEO, paid media, content strategy, and technology integration for law firms. Founded in July 2024 by Josh Brown, who entered legal SEO in 2013 as the first employee at Rankings.io. 100+ law firms served. 15 active campaigns.

CONSULTANT, NOT AN AGENCY

JoshBrown.io operates as a consultancy, not an agency. The agency business model is optimised for profit, not for clientele — slow, bloated infrastructure built on high cost and poor-skilled operators. As a consultant, Josh Brown works directly on every campaign at an effective investment level, optimised for maximum ROI. Your CEO is on your campaign.

> *"I started in 2013 as Rankings.io's first employee. I worked my way through the industry until one day I decided to invest in myself and fill a gap — personalised, white-glove legal marketing for attorneys who need results, not empty promises."*
